TUCK'S POST CARD

CARTE POSTALE.

Canterbury. The Norman Staircase. All the precincts of the cathedral at Canterbury exhibit traces of the great Benedictine Monastery founded by St. Augustine on the conversion of the English people at the end of the 6th century. Archbishop Lanfranc rebuilt church and priory 1070-1077. The fine Norman Staircase belongs to this period and is the only construction of the kind in existence.

Canterbury.
Kindly forget
you after all.
